

## ZFYVE21-zinc finger, FYVE domain containing 21 Gene

Reference: PTXBC005999

|                |                                                                                                                                                                                                        |                     |                |
|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                                                                    | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                                                                   | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | HCVP7TP1; ZF21; zinc finger FYVE domain-containing protein 21; FYVE domain containing 21; HCV p7-transactivated protein 1; zinc finger, FYVE domain containing 21; zinc finger FYVE-type containing 21 |                     |                |
