

## EEF1A1-eukaryotic translation elongation factor 1 alpha 1 Gene

Reference: PTXBC008587

|                |                                                                                                                                                                                                                                                                 |                     |                |
|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                                                                                                                             | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                                                                                                                            | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | CCS-3; CCS3; EE1A1; EEF-1; EEF1A; EF-Tu; EF1A; GRAF-1EF; HNGC:16303; LENG7; PTI1; eEF1A-1; elongation factor 1-alpha 1; CTCL tumor antigen; EF-1-alpha-1; EF1a-like protein; cervical cancer suppressor 3; elongation factor 1 alpha subunit; elongation factor |                     |                |
