

## CENPN-centromere protein N Gene

Reference: PTXBC008972

|                |                                                                                                 |                     |                |
|----------------|-------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                             | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                            | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | BM039; C16orf60; CENP-N; ICEN32; centromere protein N; interphase centromere complex protein 32 |                     |                |

**For research use only.**
