

## OTUB2-OTU domain, ubiquitin aldehyde binding 2 Gene

Reference: PTXBC009615

|                |                                                                                                                                                                                                                                                                 |                     |                |
|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                                                                                                                             | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                                                                                                                            | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | ubiquitin-specific-processing protease OTUB2; deubiquitinating enzyme OTUB2; ubiquitin thioesterase OTUB2; C14orf137; OTB2; OTU2; OTU domain, ubiquitin aldehyde binding 2; OTU domain-containing ubiquitin aldehyde-binding protein 2; otubain-2; ubiquitin-sp |                     |                |
