

## CCDC90B-coiled-coil domain containing 90B Gene

Reference: PTXBC014573

|                |                                                                                                             |                     |                |
|----------------|-------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                         | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                        | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | MDS011; MDS025; coiled-coil domain-containing protein 90B, mitochondrial; coiled-coil domain containing 90B |                     |                |

**For research use only.**
