

## COL14A1-collagen, type XIV, alpha 1 Gene

Reference: PTXBC014640

|                |                                                                                                                                        |                     |                |
|----------------|----------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                    | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                   | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | UND; collagen alpha-1(XIV) chain; collagen, type XIV, alpha 1; undulin (fibronectin-tenascin-related); collagen type XIV alpha 1 chain |                     |                |
