

## DYNC1I1-dynein, cytoplasmic 1, intermediate chain 1 Gene

Reference: PTXBC022540

|                |                                                                                                                                                                                                                                                |                     |                |
|----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                                                                                                            | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                                                                                                           | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | DNC1I; DNCIC1; cytoplasmic dynein 1 intermediate chain 1; DH IC-1; cytoplasmic dynein intermediate chain 1; dynein intermediate chain 1, cytosolic; dynein, cytoplasmic, intermediate polypeptide 1; dynein cytoplasmic 1 intermediate chain 1 |                     |                |
