

## ZNF638-zinc finger protein 638 Gene

Reference: PTXBC024000

|                |                                                                                                                                                                                                                                           |                     |                |
|----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                                                                                                       | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                                                                                                      | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | NP220; ZFML; Zfp638; zinc finger protein 638; CTCL tumor antigen se33-1; CTCL-associated antigen se33-1; NP220 nuclear protein; cutaneous T-cell lymphoma-associated antigen se33-1; nuclear protein 220; zinc finger matrin-like protein |                     |                |
