## PTTG1IP-pituitary tumor-transforming 1 interacting protein Gene

Reference: PTXBC031097

|                |                                                                                                                                                                                                                           |                     |                |
|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                                                                                       | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                                                                                      | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | C21orf1; C21orf3; PBF; pituitary tumor-transforming gene 1 protein-interacting protein; PTTG-binding factor; pituitary tumor-transforming gene protein-binding factor; pituitary tumor-transforming 1 interacting protein |                     |                |
