|----------------|--------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                            | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                           | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | FAM26C; calcium homeostasis modulator protein 1; family with sequence similarity 26, member C; calcium homeostasis modulator 1 |                     |                |
