

FOXRED2-FAD-dependent oxidoreductase domain containing 2 Gene

Reference: PTXBC040351

Product type:	DNA	Storage Condition:	-20°C
Size/Quantity:	2 ug	Delivery Condition:	+4°C, Blue Ice
Synonyms	ERFAD; FAD-dependent oxidoreductase domain-containing protein 2; ER flavoprotein associated with degradation; endoplasmic reticulum flavoprotein associated with degradation; FAD dependent oxidoreductase domain containing 2		

For research use only.

GENE DESCRIPTION	FAD-dependent oxidoreductase domain containing 2
GENE ID	80020
ORIGIN SPECIES	Human
ACCESSIONS	BC040351
VECTOR	pDONR223
NCBI SYMBOL	FOXRED2
LENGTH	ProteoGenix bp
SEQUENCE PRIMERS	Forward primer M13R (5'→3'): GTAAACGACGGCCAGT Reverse primer T7P (5'→3'): TAATACGACTCACTATAGG

ORF (Only for reference, product provided without STOP codon)
