

## USP6NL-USP6 N-terminal like Gene

Reference: PTXBC042943

|                |                                                                                                                 |                     |                |
|----------------|-----------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                             | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                            | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | USP6NL-IT1; RNTRE; TRE2NL; USP6 N-terminal-like protein; related to the N-terminus of tre; USP6 N-terminal like |                     |                |
