

## ROR2-receptor tyrosine kinase-like orphan receptor 2 Gene

Reference: PTXBC130522

|                |                                                                                                                                                                          |                     |                |
|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------------|
| Product type:  | DNA                                                                                                                                                                      | Storage Condition:  | -20°C          |
| Size/Quantity: | 2 ug                                                                                                                                                                     | Delivery Condition: | +4°C, Blue Ice |
| Synonyms       | tyrosine-protein kinase transmembrane receptor ROR2; BDB; BDB1; NTRKR2; neurotrophic tyrosine kinase receptor-related 2; receptor tyrosine kinase like orphan receptor 2 |                     |                |
